PETITION FOR UNIVERSAL SINGLE-PAYER HEALTH CARE IN OHIO

We the undersigned believe that healthcare is a human right and that our existing system of public programs and for-profit insurance is both unjust and unsustainable. A universal, expanded and improved Medicare for All type system in Ohio would replace our current patchwork of health insurance with a statewide public plan that guarantees comprehensive care to all Ohioans throughout their lives without premiums or any out-of-pocket fees. Funded by progressive taxation, this plan would realize substantial savings by concentrating spending on healthcare delivery and preventive care instead of administrative waste, marketing and profit. Therefore, we support the enactment of an expanded and improved Medicare for All type system to make Ohio’s healthcare system both fair and economically sustainable.
